

How to Change Your Password

1. Go to the Parent & Student info tab on our Pitcher website.
2. Click the Identity.stpsb.org link at the top right.
3. Log in with your student number and current password.
4. If it says your password expired, click that message.
5. If you do not get this prompt, click the drop down menu at the top by your name and select Change Password.

NOTE: Do not choose Claim My Account when trying to change your password.
