Dear Parents/Guardians,

As mandated by the St. Tammany Parish School Board and in accordance with R.S. 17:81Y, our school counselor will be presenting a classroom lesson on Child Sexual Abuse Prevention, Education and Reporting. Although the children will have a chance to talk about the topic with our counselor during the class lesson, we would like to encourage you to talk with your child about this important issue.

A video that will be used in the lesson is available at the school for preview. If you wish to preview the material, or if you have any questions, please call the school by Wednesday, February 17, 2021.

The lesson will be taught between February 17 – March 26, 2021.

Thank you for your concern and interest in the safety of your child.

Sincerely,

Principal

School Counselor
